10/07/2004

Contingency Contracting Re-Organization

WHY & OTHER ISSUES

- **CSA & CONCERNS**
  - **Unity of Effort**
  - **Unity of Command**
  - **Inexperienced Green Suiters doing contracting**
- **Organizational placement of CCO Teams**
- **Billpayers for increased CCO's**
- **Is the timeline right to support UA's?**
- **Waiting for Force Structure Construct from "Big Army"**
- **Where does the ARNG place a CCO Battalion?**
- **We can't rob USPFO P&C Offices to staff CCO Teams**
- **Life after a CCO/CNCO – Career Progression**

Contingency Contracting

FEEDBACK FROM OUR CCO's

- Lots of construction contracts for COE
- Multinational contract efforts (Italy/UK)
- Chain of Command Issues
- Local customs take precedence
- Units need FOOs
- Units need knowledgeable CORs
- Paperless contracting not there yet
- Cash on the barrelhead
